10. Two objections are raised by the Comptroller to the procedure
1. that it would be inconvenient for the accountant who is corresponding directly with the Swamigal owing to the peculiar terms of address. The necessity will arise only very occasionally as the Swami will draw amounts according to the Sanctioned Scale and as no vouchers for disbursements are expected to be sent. If there should be an occasion, the Mysore Supdt. may be requested to obtain the Swami's explanation for any items objected to.
2. that the 'Seen' and Seal Cannot be regarded as full signature for account-purposes. This objection can hardly be said to be insurmountable as they are accepted as equivalent to Seal signature in legal documents.

The Swami is now in this

SIR,

I have the honour to state that in para 3 of Government Proceedings No. 1780-2-Muz-266-15-2, dated the 29th January 1916, the Comptroller has been requested to arrange for payment at the Taluk Treasury, T. Narasipur, the amount required by the Vyasaraya Swami Matt on bills prepared and presented by the Swamigalu. I request to be informed if for treasury purposes the Swamigalu is to be considered as drawing officer in which case all communications and objections in connection with those bills will have to be addressed to the Swamigalu It may also be pointed out that it is inconvenient to keep correspondence with Matadhipathies (Heads of Mutts) on account of the form of address etc., that has in propriety to be adopted. Also it is not the practice of the Matadhipathies to put regular signatures to the documents but they simply affix a seal and put in a "Sree" which can hardly be regarded as a full signature for accounts purposes.

I may add that with the exception of the Sri Parakala Mutt, the Tasdik of Muzrai Institutions is invariably drawn by a Government Officer and disbursed to the party managing the institution and I
